Past performance is no guarantee of future results. Performance returns are calculated in Australian Dollars and periods of less than one year are not annualised. Performance returns have been calculated based on changes in the daily net asset value of the funds and are shown net of fees. Price return does not reflect income performance and does not include distributions. Total returns reflect combined capital and income performance and assumes distributions are reinvested. Total returns and price returns do not reflect the brokerage fees or the bid/ask spread that investors pay to buy and sell ETF securities on the Australian Securities Exchange. Returns are based on the Net Asset Value of each fund rather than the last quoted price. Total returns have been calculated assuming immediate reinvestment of distributions rather than reinvestment via any Dividend Reinvestment Program. There is currently no Dividend Reinvestment Program in place for the SPDR S&P/ASX 200 LPT Fund.

The SPDR S&P/ASX 200 LPT Fund and SPDR MSCI Australia Select High Dividend Yield Fund distribute quarterly. The SPDR S&P/ASX 200 Fund, SPDR S&P/ASX 50 Fund, SPDR S&P/ASX 200 Financials EX A-REIT Fund, SPDR S&P/ASX 200 Resources Fund and SPDR S&P/ASX Small Ordinaries Fund distribute semi-annually. The calculation of index distribution assumes monthly distributions.
